 - 3. We will not consider ourselves to have received any payments until we have opened the envelope and credited the amount to the designated account. Any lodgements through Quicklodge are processed on the same Banking Day.
 - 4. We will consider the total amount we receive to be the correct amount you made in your lodgement, despite any differences in the amount we receive and the amount shown on the lodgement form.
- H. You can pay cash into your Account at the Post Office® using your Card or a Post Office® Cash Deposit Card. Daily and annual cash limits apply. You can find details at aibni.co.uk/postoffice. You must make sure notes are sorted by denomination, and that coins are bagged.
- I. You can pay cash into your Account using some automated cash machines. The cash machine will count the cash you deposit. If there is a discrepancy between the amount of cash counted by the machine

and the amount you say you have deposited, we will credit your account with the amount the machine has counted.

- J. A single daily and single annual cash lodgement limit will apply to cash payments into your Account at the Post Office® and at an automated cash machine. This means that if you make cash payments at an automated cash machine and at the Post Office® on the same day, the combined payments will count towards your daily and annual cash lodgement limits.
- K. You can use a pre-printed lodgement slip to lodge Cheques at the Post Office®. The clearance cycle for cheques lodged at the Post Office® begins the day we receive the cheques, usually the next Banking Day.

M. Incoming International Payments

Incoming International Payments are payments that are received in any currency from banks based in another country or in any currency except sterling from banks based in the UK.

To receive an incoming International Payment, you must provide the Payer with the following:

- Your full Account name and address; and
- Your IBAN and BIC of AIB (NI). Your IBAN is found on the front of your Account statement and AIB (NI) BIC is FTBKGB2B; or
- Your sort code and Account number; or
- For Euro payments originating within SEPA reachable countries by using SEPA, provide your IBAN.

Any incorrect information provided, including but not limited to IBAN and/or BIC may result in the delay of applying funds to your Account or the return of the incoming International Payment to the sending institution.

The fee for an incoming International Payment will be debited from the Account credited, unless you have agreed an alternative arrangement with Your branch or relationship manager.

Our fees and charges for International Payments are listed in our Customer Treasury Services Charges brochure which is available on our Website under "Fees and Charges" section or in any of our branches.

If you are receiving a payment within the EEA, in any currency, you and the Payee must pay your own bank charges. An intermediary bank may not deduct its charges from the payment amount on a payment made in an EEA currency within the EEA. For non-EEA payments, an intermediary bank may deduct its charges from the payment amount before it is made available to us or to the Payee's bank.

Any payment to your Account in a currency other than the currency in which your Account is denominated, will require a currency conversion using a foreign exchange rate.

For International Payments the exchange rate used for such conversions will be:

- for amounts up to and including our standard exchange rate threshold value, our applicable Standard exchange rate on the Banking Day on which the instruction is received by us; and

- b) for amounts over our standard exchange rate threshold value, for foreign currency payments to your Account, we will attempt to contact you to negotiate a rate before we make the conversion.
- c) If we have been unable to contact you or have been unable to agree a rate with you within 2 hours of receiving the payment instruction or by 4pm at the latest on the Banking Day on which a payment is deemed to have been received by us, we will apply the prevailing dealer exchange rate as determined by us at that time.

The exchange rate used to convert an incoming International Payment by us on the day of processing the transaction, will be quoted on the payment advice sent to you by post.

Exchange rate losses may occur where an incoming International Payment is returned to the sending bank by us due to incorrect or incomplete payment information.

In the case of an incoming International Payment, if we receive an instruction before currency Cut-off time and for SEPA Credit Transfer before 4pm, we will process your payment on the Value date quoted, unless the Value date specified has passed or unless it is a non-Banking Day. If the date quoted has already passed, we will process your payment on the Banking Day we receive it. If a payment is received after the Cut-off time or on a non-Banking Day, this will be deemed to have been received the following Banking Day.

For payments received from other countries or paid in other currencies, various Cut-off times and Value dates apply. Please contact Your branch or relationship manager or visit our Website for currency Cut-off times. The Cut-off times for electronic channels are available on the relevant channel.

We will provide you with the following information as soon as reasonably practicable after the payment has been processed:

- a) A Reference number enabling you to identify the payment, and where applicable, information relating to the Payer of the funds;
- b) The amount of the payment in the currency in which the funds is received by us;
- c) The amount of any charges payable by you for the payment;
- d) The exchange rate used by us and

the amount of the payment after the currency conversion;

- e) The credit Value date; and
- f) Any Reference information provided by the Payer or their bank.

2. Withdrawals and payments from your Account

- A. We will follow your instructions to withdraw funds or make a payment from your Account whenever we can. In order for us to follow an instruction you must:
 - have sufficient funds in your Account to cover the payment or an Arranged overdraft limit which will cover the amount of the instruction;
 - give us all of the information we need; and
 - have authority to give us the instruction to make the payment from your Account.

If we accept a payment instruction and we are unable to carry out the transaction for any reason, we will let you know about this, unless we cannot tell you because of a law or regulation.

- B. Daily limits apply to the amounts that can be transferred through Online Services or iBB (see your Online Services or iBB terms and conditions or our Website for more information on these limits).
- C. Before we make a payment from your Account, we will need your authority to do so. How you do this will depend on the type of payment you want to make. If you sign a Direct debit form, or if you use Online Services or iBB to create payments, we take this as you giving permission. Other forms of permission include a written letter of instruction or a completed and signed application form.
- D. As long as our procedures are complied with (including completing, either manually or online, the relevant payment instruction) and security requirements are followed, payments can be made from your Account by any of the methods listed in subsection 3 'Authorised Payments' below. We may in the future also allow payments by other methods which we make available.
- E. We will only allow payments from a joint account in line with the latest signing instruction (Mandate) that controls how you use the Account.
- F. If we allow money to be withdrawn from

your Account and this takes your balance overdrawn or over any Arranged overdraft limit (if we have already agreed a limit with you), we will not be making a commitment to allow up to these amounts to be withdrawn in the future. If you want to go overdrawn or over any Arranged overdraft limit for a short period, you should discuss this with us beforehand. We will consider your request and tell you whether or not we can accept it. If you go over your Arranged overdraft limit, fees and charges will apply. You can find details of these amounts in our 'Business accounts price list' brochure, which is available in all our branches and on our Website.

- G. If we make a payment from your Account against money which has not yet Cleared, it does not mean we will do it again in the future.
- H. Once we have processed your payment instruction, you cannot cancel it. However, if you need to amend or cancel an instruction that you have given us before we process it, we will try to make your change if it is possible. If you need to amend or cancel a payment instruction, you should give details to Your branch in writing, by phone or by another method that we will tell you at the time. You will be responsible for any extra fees, expenses and exchange rate losses which are caused by amending or cancelling a payment instruction and for the costs of any payment investigation you ask us to carry out.
- I. If we receive a request to refund a payment which we are told has been credited to your Account by mistake, we will contact you before authorising the refund. We are required to co-operate with the Payer's Payment Service Provider in these circumstances, which could include providing them with relevant information about you as the Payee, where they make a written request to us for information to enable the Payer to pursue you, as Payee, for recovery of the payment.
- J. We may choose to make security checks from time to time, including making phone calls to you or your authorised representative. We have the right to delay or not authorise a payment if we are suspicious that you have not authorised the payment or it is fraudulent. We will not be responsible for any delay or failure in making any payment for the reasons

above.

3. Authorised Payments

These methods will require your signature in order for a withdrawal to be made. This signed instruction will need to be given in line with the current Mandate for your Account.

 - A pre-printed credit transfer slip showing a valid sort code and account number of the account to which the funds are to be transferred;

a Standing Order in branch you give your permission by signing an instruction form. If you are setting up a Standing Order through iBB or Online Banking you give your permission by using the relevant Security Details.

In the event that the Payee of a Standing Order made by you switches their bank account to another provider you agree to us amending the account details with the Payee's new financial account details on your behalf.

To set up, amend or cancel a Standing Order in one of our branches or in writing you must let us know five Banking Days before the payment is due.

If you are an Online Banking customer, you can set up, amend or cancel a Standing Order through Online Banking or iBB or through our contact centre, up to 8pm the day before the payment is due. You can also view, amend or cancel a Standing Order through Mobile Banking.

3.1.5 Direct debits

- A. When you sign a Direct debit mandate, you are authorising an originator (for example, utility providers, telecommunication providers and other service and product providers) to collect a payment from your Account and to instruct us to pay this collection. We are entitled to rely on the instruction received from the originator in order to make a payment from the Account.
- B. In order to cancel or amend either a Direct debit payment or a Direct debit mandate, you must contact the originator with whom you have agreed the terms of a mandate.

You can cancel a Direct debit in one of our branches, in writing or through our 'personal account enquiries' number (see Section A 'Contacting Us' for details), you must let us know by the end of the Banking Day before the payment is due.

You can cancel a Direct debit through Online Banking or Mobile Banking (Personal Business customers only) up to 8pm the day before the payment is due.

- a) The name and address of the Payee;
 - b) The sort code and account number of the account to which the funds are to be transferred;
 - c) The date and amount of the payment;
 - d) A meaningful Reference so that the Payee can identify you; and
 - e) Your permission in line with the Mandate for the Account from which the payment is to be taken. If you are making a CHAPS payment in branch you give your permission by signing an instruction form.
- 3.2 We may, if agreed with us, accept verbal instruction from you on the phone after we have confirmed your identity by whatever means we deem appropriate. We may also accept authorisation from you for a payment to be made from your Account by any other means that we have agreed with you.
- 3.3 If we are advised that the Payee details of a payment you have authorised have changed, you agree to us updating the details in order for the payment arrangement to continue. If we cannot make the changes we will write to you to let you know.
- 3.4 In cases where a payment from your Account has been initiated by or through a Payee, you may be entitled to a refund if:
- a) the authorisation you gave did not specify the exact amount of the payment; or
 - b) the payment made from your Account was more than reasonably expected, taking into account your previous spending pattern, the terms and conditions of your Account or Card and the circumstances surrounding the payment.
- 3.5 To request a refund, you must tell us as soon as possible if either or both of the above happen and, in any case, no later than eight weeks after the amount is taken from your Account.
- 3.6 We will refund you within 10 Banking Days of your request or of receiving any

information we ask you to provide to us. If we refuse your request for a refund we will inform you of this within the same 10 Banking day timeframe along with our reasons.

- 3.7 You are not entitled to a refund if:
- a) you gave the Payment Service Provider direct permission to carry out the transaction; and
 - b) the Payment Service Provider or Payee gave you information on the transaction, or made that information available to you, as agreed, at least four weeks before the date the payment was due.
- If we refuse your refund request, and you do not agree with this decision you may refer to the Financial Ombudsman Service. Please see the 'Making a complaint' section of these terms and conditions for details.
- 3.8 The Direct Debit Guarantee Scheme will protect payments you make by Direct debit (this does not include SEPA Direct debits). This scheme protects you if a Direct debit payment you have not authorised is taken from your Account. If any money is wrongly, or incorrectly, taken from your Account by a Direct debit we will, when we are informed about it, refund your Account and restore your Account to how it would have been had the payment not been taken.
- 3.9 The following table sets out when payments from your Account can be made and when the funds will be available to the Payee. The timeframes assume we have received the payment instruction before the Cut-off time on a Banking Day. If we receive the payment instruction after the Cut-off time on a Banking Day, it will be deemed to have been received the following Banking Day. If we receive the payment instruction on a bank holiday, we will consider to have received it the next Banking Day. If we receive a payment instruction which is post-dated (dated for some time in the future), we will consider to have received it on the day it is due to be paid. If this is not a Banking Day, we will consider to have received it the next Banking Day.

4 Using the Account

- A. You must, at all times, keep the Account in credit or within any arranged overdraft, buffer or authorised packaged limit, unless you have agreed otherwise with us. We will not provide you with an overdraft or any other type of credit if you are under the age of 18. You can lodge Cleared funds to your Account up to 2pm (12pm on Christmas Eve, if it is a Banking Day) to cover any Direct debits, cheques or Standing Orders due to be taken from your Account that day. If the Cleared balance or the Arranged overdraft limit is not enough to cover the payments, some or all of them may not be paid.
- B. If you have an arranged overdraft on your Account, separate and extra terms and conditions will apply, which will have been provided to you. If you require another copy of these please ask Your branch or relationship manager.
- C. You should check the transactions on your statement regularly, and at least once a month, against your Account records. If an entry on the statement seems to have been made incorrectly or without your authority, you should tell us as soon as possible but no later than 13 months after the date the transaction was taken from your Account. This timeframe is reduced for payments

initiated by or through a Payee (see section 3, subsection 3.4 – 3.7 above). Direct debits covered by the Direct Debit Guarantee Scheme are protected indefinitely.

- D. If your name, address, telephone number or any other contact details change, you must tell us immediately. You must also make sure that arrangements for receiving mail at your address are secure. If you do not keep to this condition, you may be Liable if the Account, cheques or Cards are misused.
- E. If we issue any cheque books or Cards for you to use on your Account, these will continue to be our property at all times. You must return these to us if we ask you to, cutting the physical Cards in half and delete or un-register all related Digital Cards. You must also take all reasonable care to make sure that the cheque books and Cards are not misused, lost or stolen. If your cheque book, Card or Device is lost or stolen, you must tell us as soon as possible.
- F. We may use any credit balance on any account you hold with one of our offices or branches to pay any amount (or part of any amount) you owe under any loan or overdraft if there has been a default in payment (where a payment due has not been made). We may use any credit balance held in your sole name against any amount you owe jointly with any other account holder. We may use any credit balance you have in a joint account to pay any amount you owe in your sole name. The first time we intend to do this we will give you at least 14 days' notice. We may not give you notice before we exercise this right again, but we will tell you about it afterwards. For the purposes of taking advantage of any rights under this clause, or any rights under the general law, we can convert or transfer all or any part of the credit balance in your Account into another currency, and apply an exchange rate which, in our opinion, fairly reflects the current rates. In these terms and conditions, 'rights under the general law' means any right to set off, combine accounts, lien (to keep hold of any property until you have paid a debt), or similar rights we have under any law. In relation to debit and credit balances on any accounts which form part of a global facility to more

than one borrower, (a 'relevant account') we will be entitled to set-off and apply all credit balances on any relevant account in or towards satisfaction of any debit balances on any other relevant account at any time after any default by any borrower with a relevant account. This section does not apply to accounts designated to hold clients' funds.

- G. Where client funds are held in pooled accounts for firms which are not one of the following: legal, accountancy, insolvency practitioner, estate agency (doing estate agency business), high value dealers or casinos, we must verify the beneficial owners of the pooled funds.
- H. In line with the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017:
- The customer must advise the Bank of any changes to its registered office, principal place of business, board of directors/management body and senior management within 14 days of the changes and provide documentary evidence to the Bank, if requested, within a specified timeframe; and
 - The Bank must obtain and verify the principal place of business and, in addition, details of the board of directors/management body and senior management of our customers.

The Regulations stipulate that if the information is not received within the specified timeframe we may have to freeze the accounts and move to exit the relationship.

I. Statements

We must make your statement available to you at least every month and free of charge during any period that there has been a payment transaction on your Account. Personal Business customers have the option through Online and Mobile Banking to view eStatements. Using Online Banking you can choose to stop receiving your statements in paper format. If we do not hear from you, we will assume you are happy to receive your statement in the same way that you receive this information currently, for example, by way of paper statement or eStatement (Personal Banking customers only).

- J. You can at any time change how you receive your statement – just contact Your branch or relationship manager. However you choose to receive your statement, we will send you a statement at least every 6 months following your last transaction without being asked.
- 5 Payments made incorrectly or without authority**
- A. If a payment has been made from your Account incorrectly or without your authority, you must tell us as soon as possible. If we fail to make a payment correctly or a payment is made without your authority and you are eligible for a refund we will, as soon as possible, put your Account back to the position it would have been in had we made the payment correctly. We will also refund any charges you have had to pay and any interest we have charged as part of the incorrect payment. Unless stated otherwise, the provisions of this subsection A do not apply to payments made by cheque.
- B. **What happens if you have paid money to a fraudster?**
 Sometimes fraudsters trick customers into believing that they are making payment for goods or services, but this turns out to be a scam. For example, if you are due to send a Faster Payment or CHAPS payment to pay for something you bought in an online marketplace, a fraudster pretending to be a legitimate seller may ask you to send funds to an account that has been set up as part of the scam. This is called an “authorised push payment (APP)” scam. If you think you are a victim of an APP scam, you must contact us immediately.
 If you contact us, we will follow industry guidelines. We will look into this and let you know if we are able to reimburse you. Usually we can tell you within five (5) days.
 If you are entitled to a refund, we will pay this into your Account straight away.
 The industry guidance on APP scams only applies to certain types of payments between UK accounts in pounds sterling. This means that we cannot always reimburse you if you have been a victim of an APP scam.
- C. You will only be entitled to a refund for an unauthorised or incorrectly executed payment if you tell us about the transaction as soon as possible and, in any case, no later than 13 months after the date the payment was taken from your Account. Different timeframes for notification apply to payments initiated by or through a Payee (see section 3, subsection 3.4 – 3.7 above) and Direct debits covered by the Direct Debit Guarantee Scheme which are protected indefinitely.
- D. Where any of your personal account details or other items allowing access to your Account (such as your Security Details) have been lost or stolen, you will be Liable to pay a maximum of £35 for any losses in respect of Unauthorised payments arising as a result. However, you will be Liable for all unauthorised transactions if you have acted fraudulently or with Gross negligence by failing to keep your Card, Device, PIN, Security Details or Safeguard System passcode safe in line with your terms and conditions or if you have (with intent or Gross negligence) failed to notify us without undue delay after becoming aware of the loss, theft or unauthorised use of any of the Cards or Security Details that we have issued to you in connection with the Account.
- E. You are not entitled to a refund if the payment details you provided were incorrect (for example, you gave us the wrong account number or sort code for the Payee) and we used these to make the payment. However, we will make reasonable efforts to recover the funds involved in the payment. We may charge you for doing this. If we decide to charge you for this, we will tell you what the charge will be at the time you ask us to recover the funds. If you provide information as well as the payment details we ask for, we will only be responsible for making the payment in line with the payment details we asked for.
- F. If we are unable to recover the funds you may write to us to request from us any relevant information we may have available in relation to the Payee in order for you to pursue recovery of the funds directly from the Payee.
- G. You are not entitled to a refund from us if you have selected a Payee from

your trusted beneficiaries list in Online Services or iBB in error and the Payee's Payment Service Provider receives the funds. If that happens, you must ask the Payee directly to return the funds to you. We will, however, make immediate efforts to trace the payment and give you notice of whether this has been successful.

- H. If you dispute a transaction we have made on your Account and we refund this transaction, you must pay us back any refund you have claimed and we have the right to take this money from your Account if following our investigations, we find that you:
- a) Agreed the transaction;
 - b) Have acted fraudulently or with Gross negligence;
 - c) Do not tell us about the claim in line with your terms and conditions;
 - d) Do not give us any information we ask for about your claim; or
 - e) Do not send us the refund application form within 14 days from the date you first told us about the claim.
- I. We may prevent or stop any transaction on your Account, if we have good reason to believe that:
- a) The security of your Account or Card is compromised; or
 - b) The Account, Card or Device could be used to commit fraud, or by someone who does not have authority to use it; or
 - c) The transaction seems unusual compared with the way you normally use your Card; or
 - d) In the case of a payment service that offers you credit (for example, an overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed; or
 - e) The transaction would damage our reputation.
- We may also refuse or decline to authorise any Transactions that may be inappropriate for your age group, for example gambling or betting.
- J. Where applicable, we will try to contact you before we take a decision to decline a transaction, but it may not

always be possible for us to do so. Please refer to Section A 'Contacting You' for the ways in which we can communicate with you.

6 Interest and exchange rates

- A. (i) The interest rates applicable to the Account are made available to you when you open the Account. The interest rates are variable. If we change the interest rates and these are to your detriment we will communicate these changes to you in writing two months before the changes become effective with the exception of changes to sterling Reference Interest Rate changes as detailed in (ii) below. Interest rates for agreed overdrafts are advised at the time of authorisation. Credit interest rates for Managed Accounts and Business Access Accounts are also available on our Website.
- (ii) If our sterling interest rates are linked to a sterling Reference Interest Rate, we can change our sterling interest rates immediately and without notice. (For changes to non-sterling Reference Interest Rates see the Customer Treasury Services terms and conditions).
- B. Debit interest is calculated daily on the debit balance of the Account.
- C. Credit interest on Managed Accounts and Business Access Accounts, is calculated on a daily basis on the Cleared balance of the Accounts. It is calculated in mid-March, June, September and December and credited to the Account. Where credit interest and debit interest are applicable during a quarterly interest period, the amounts are netted before being applied to the Account.
- Credit interest on Select Accounts, is calculated on a daily basis and credited to the Account at the close of business on or about 1st April each year.
- D. If the bank has given you written approval that balances in different current accounts can be combined for interest purposes, set-off interest applies. Set-off interest at 1% per annum is calculated daily, on any credit balances set-off against debit balances, and/or on any debit balances set-off

against credit balances, whichever is the lesser. This set-off interest is in addition to any interest calculated on the net debit balance at the appropriate interest rate.

- E. Credit interest will be paid without deduction of tax on accounts held by companies, certain trusts, pension funds, clubs, societies and associations, provided the appropriate documentation is in place.

From the 6th April 2016 credit interest on your Account will be paid gross (under new legislation tax will not be deducted when credit interest is paid). If your credit interest is more than your Personal Savings Allowance you may still have tax to pay. Please see www.gov.uk for information on the Personal Savings Allowance or speak to a tax adviser.

- F. Our currency exchange rates are displayed in our branches. Some of the currency exchange rates are also available on our Website, and you can also phone our contact centre or Your branch for details. We can change our exchange rate immediately and without notice.

The action we take may include investigating and stopping payments into and out of an Account and making enquiries to find out whether a person has a sanction against them or if the payment goes against our policies. Making enquiries or investigating payments can take time and this may mean there is a delay or we may not be able to go ahead with your instructions.
- P. We reserve the right at all times to amend, vary or supplement these terms and conditions as a result of a change in the law, regulation, code or good practice, customer feedback or product development or for such other valid reasons as are advised to you at the time of notification of the change.
