Introduction to International Payments

Outgoing International Payments are payments that allow you to send money abroad in foreign currency or Sterling for the account of the Receiver. In AIB (NI), an Outgoing International Payment is transacted on completion of a Paylink International Funds Transfer Form or on completion of a SEPA Credit Transfer Form.

Incoming International Payments are payments that are received in any currency from financial institutions based in another country or in any currency except sterling from financial institutions based in the UK.

Terms & Conditions

These terms and conditions apply to International Payments processed by AIB (NI) from 13 July 2018. These terms and conditions are available upon request and via our Website.

The AIB logo and AIB (NI) are trade marks used under licence by AIB Group (UK) p.l.c. incorporated in Northern Ireland. Registered Office 92 Ann Street, Belfast BT1 3HH. Registered Number NI018800. Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

Routing and Channels

We use SWIFT (Society for World-wide Inter-bank Financial Telecommunications), EBA (Euro Banking Association), SEPA Scheme and other payment systems and a wide range of correspondent banks who act as agents of AIB (NI) to effect International Payments. The routing and channel(s) used by us is entirely at our discretion.
